### Sponsorship Passport (with your logo)

Participants will have their passport stamped as they visit each sponsor. Completed passports are entered into a drawing for a prize provided by NAJIS at the end of the conference.

### Company "Elevator" Speeches

During lunch on the first day, you will have an opportunity to address all the attendees and provide a brief overview (elevator pitch) of your company. This could possibly include a brief video clip.

### Technology Showcase

Diamond and Platinum sponsors will have 20-30 minutes to highlight their technology to interested practitioners in a dedicated space. This will take place at the end of day two prior to our outing.

### Prize Drawings

The podium is turned over to our sponsors to present independent prize drawings.
